

CC600 Interactive Kiosk, Landscape, 5" multi-touch Display, 2D Imager, USB, Ethernet

Put the ultimate in concierge-style service at your customers' fingertips with the CC600. This sleek 5-inch kiosk gives customers the best of online and in-store shopping, with all the convenient self-service capabilities they expect, and much more. Support for the latest technology and a cutting-edge Android platform take customer interaction to a whole new level, while powerful tools make it easier than ever to develop applications, integrate, deploy and manage your kiosks.

With its ultra-powerful processor, familiar Android interface, high definition multi-touch display, the CC600 delivers a superior experience for even the most demanding interactive and multimedia apps. Best-in-class scan performance means that users can easily scan any item in the store, as well as mobile barcodes on their own devices. The CC600's slim design, standard VESA mounting and support for Power-over-Ethernet make it easy to deploy anywhere you need self-service capabilities. And while the CC600 offers the familiarity of a consumer device, it provides all the security, remote management, deployment and app integration tools that you need for a successful deployment.

Key features:

- 5" PCAP multi-touch HD display
- OS Android
- advanced scanning technology
- Bluetooth a WiFi
- LifeGuard™ for Android guarantees direct security updates for a total of 10 years from the release date

Technical Description

Functionality & Operation

Communication interface	USB, Ethernet, WLAN (WiFi)
Wireless communication	WiFi, Bluetooth®
1D Barcode Symbolologies	All standard one-dimension barcodes
2D Code Symbolologies	all standard 2D-Codes
Memory	4GB RAM, interní úložiště 32 GB
CPU Type	Qualcomm Snapdragon™ 660
Touch-screen panel	capacitive multi-touch
Display type	5.0 inch PCAP multi-touch, 110 mm W x 62 mm H
Operating system	Android
Expansion slot	Micro SD card slot, supports class 2 to class 10 and UHS-1 SD Cards
Audio	Two microphones, one front firing speaker
WLAN Features	
WPAN Features	Bluetooth 5.0; integrated antenna

Optical

Bar code scanner	1D/2D Zebra SE2100 scanner
------------------	----------------------------

Electrical

Power Source	Enterprise grade power supply: 5.4VDC/3A; 110/220V, Support for integrated 802.3at Power-over-Ethernet (PoE)
--------------	--

Mechanical

Weight	320g
Dimensions	Width: 169mm, Height: 35mm Length: 116mm

Environment

Operating temperature	0 to 40°C
Storage temperature	-40 to 70°C
Operating humidity (non-condensing)	5 to 95%

Others

Warranty	1 year
